Sherrin is pleased to announce the completion of the \$1.2 billion expansion of the Sherrin Iron Processing Plant in Western Australia.

Iron Processing Plant Expansion

Sherrin's Iron Processing Plant Expansion

Sherrin Iron Processing Plant Expansion

The Sherrin Iron Processing Plant Expansion is a major project that will increase the plant's capacity to process iron ore. The expansion includes the construction of new processing lines and the upgrading of existing infrastructure.

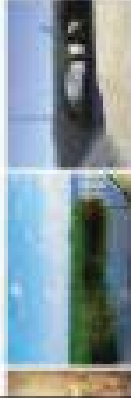

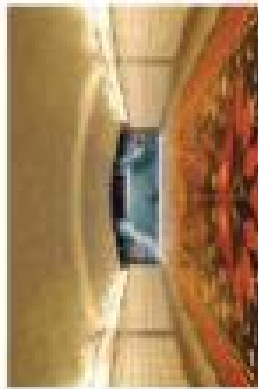

The expansion is expected to be completed in 2024. This will allow Sherrin to meet the growing demand for iron ore in the global market. The project is a testament to Sherrin's commitment to operational excellence and sustainable growth.
